1:00-5:00 Ellen Cheever Seminar (0.4 ceu's)

- During this intensive afternoon workshop new opportunities for the kitchen specialist will be highlighted by Ellen Cheever, CMKBD, ASID.
  - The class will feature examples of kitchens from around the world, as well as provide an opportunity for attendees to share their experiences with one another.
  - Topics to be covered will be:
    - An emerging new definition of the kitchen: a “cooking room”.
    - Getting sales through personalizing the space so each project is “one-of-a-kind”.
    - Studying new emerging design trends, leading to a re-definition of the word “Contemporary”.

5:30-6:30 Cocktail/Networking hour:

- Cash Bar
- Light hors d-oeuvres

6:30-7:45 Dinner/ Evening Program (0.1 ceu's)

- 1-hour presentation
  - Emerging design trends – functional and aesthetic – for elegant master suites
    - Far more than a room simply to escape to or to use for personal grooming, these rooms provide a personal spot for harried homeowners.
    - In addition to the normal fixtures and fittings, Cheever will discuss additional storage centers and entertainment ideas – as well as mini master suite kitchen settings appropriate for these suites

- Buffet Dinner

7:45-8:00: Chapter Business
